ESSA INNOVATION & PRACTICE FORUM

In 2009, ESSA created the ESSA Business Forum due to the growing need to provide business advice to ESSA's professionals. Now, after five hugely successful biennial Business Forums, ESSA's professionals have grown again, and it is with great pleasure that we introduce the ESSA Innovation & Practice Forum.

Growing on the Forum concept, the 2019 ESSA Innovation & Practice Forum will have practical demonstration sessions, applied learning for the day to day life of the ESSA professional and cover topics ranging from business and guidelines to practical implications and services.

We aim to attract 500 ESSA professionals ranging from a variety of backgrounds who are passionate in developing their knowledge on the latest products and services. By joining us in Melbourne, you have a unique opportunity to have one on one time with practice managers, purchasers and those looking for cutting edge products to support their work.

We look forward to you seeing you in Melbourne 2019.
